

# LOOK WHAT' S HAPPENING

March

IN ROOM 3

2020

## A Look Ahead

March 6 - Career Dress Up Day  
March 13 - Room 3 Rainbow Lunch  
March 18 - N H P A Lunch

## When I Grow Up

The children have enjoyed learning all about community helpers and what we might want to be when we grow up. We will continue with more 'jobs' during the week of March 2nd. Our Career Dress Up Day will be Friday, March 6<sup>th</sup>.

## RAINBOW WEEK

During the weeks of March 9<sup>th</sup> & 16<sup>th</sup> we will be doing numerous rainbow activities to include science, math, cooking, etc. This is a fun multi-sensory experience for our room. We can get pretty messy during these weeks so dress appropriately. Please bring rainbow colored items to share. We will have a rainbow lunch on Friday, March 13<sup>th</sup> to end our celebration.

## NUTRITION

We will begin our wonderful nutrition unit on March 23<sup>rd</sup>. We will have a food list for you to sign up to bring some food items.

The children get excited when they are the ones that brought the food that day. We encourage everyone to come every day if possible. Remember, we are done with food tasting by 10:00 each day and you won't be charged an extra day if picked up by then.

## SHARING

Don't forget to bring in things to share that will help enhance our units. The children love being in the spotlight.

## Mark Your Calendars

Mothers' Day Program and Lunch  
Friday, May 8<sup>th</sup> (More info later)

Play Date with Dad  
Wednesday, June 10<sup>th</sup>  
(More info later)
